Michael,

I do not know anything about a stage at 6th & Pacific.

I spoke with ABC today and they did not approve my initial idea. I have to submit another plan.

In short, I'm working on plan B. What do you want to do?

We were told a stage would be up on 6th and Pacific but that looks like it will not be happening so we would like to know what you have planned for 6th street between Pacific and Mesa. Please let us know ASAP so we can make arrangements if necessary. We have our own ideas.

Unfortunately, the trolley can't handle that route.
